Kitchen updates include new flooring, countertops, tile backsplash, sink and faucets. Bathroom renos include a high end 6' foot jet/air tub, separate shower, new sink, high end faucets and toilet. Basement has a family room, 2 bedrooms & a full 3 piece bath that was just updated. It's move-in ready but ready for someone with some creative design skills to add some finishing touches. The large fenced yard has a plenty of privacy with several mature berry trees & many other trees, plants, shrubs, flowers etc. Back lane access with potential to build a garage. The location of this property could not be better for a family with school-aged children. Elementary and new high school only a block away.
